SO YOU THOUGHT PUNK WAS DEAD

WELL TOUGH - IT AINT ☮

HI THERE, ALL YOU HIPSTERS OUT IN PUNKZINE LAND. WELL HERES ANOTHER PUNKZINE TO HIT THE STREETS-IS IT DIFFERENT FROM ALL THE OTHERS, I DONT KNOW. I ORIGINALLY WROTE IN "PRECAUTIONS ESSENTIELLES POUR LA BONNE" BUT LEFT AS (a) I WANTED TO DO MY OWN ZINE, NO ONE ELSE SAYING WHAT WENT IN OR NOT AND (b) I DIDNT AGREE WITH JULIAN ABOUT SOME THINGS. ANYWAY, THATS IN THE PAST, WHAT THIS ZINES PURPOSE IS, IS TO GIVE COVERAGE TO SMALL BANDS AND TO PUT ACROSS MY VIEWS ON THE WORLD, POLITICS CHOCOLATE BARS OR ANYTHING ELSE UNDER THE SUN, WHICH MIGHT MAKE YOU QUESTION YOUR VIEWS (ALTHOUGH YOU CANT HAVE MUCH OF A BRAIN TO FORM YOUR VIEWS WITH IF YOU BOUGHT THIS RAG IN THE FIRST PLACE).

THE REASON THAT THIS IS A PUNKZINE AND IM A PUNK IS THAT AT THE MOMENT, PUNK IS THE ONLY MOVEMENT THAT STANDS FOR INDIVIDUALITY, AND THAT HAS MORE TO IT THAN JUST A DIFFERENT SORT OF HAIRCUT. THATS WHY EVEN THO THE HIP MUZAC PRESS WROTE PUNK OF IN 78, ITS STILL GOING, WITH LOADS OF NEW BANDS SPRINGING UP EVERYWHERE. AND WHEN I TALK ABOUT PUNK, I DONT MEAN POXY SHITS LIKE THE REJECTS. IM TALKING ABOUT REAL PUNK BANDS LIKE THE ONES INSIDE.

SO KIDS-DONT BECOME A ROCKABILLY. BECOME A PUNK, ITS NOT JUST A FASHION, ITS A WAY OF LIFE.

FINALLY, DONT JUST SIT ON YOUR ARSES, START A FANZINE, FORM A BAND, DO GRAFFITY TO SHOW PEOPLE HOW YOU FEEL. QUESTION EVERYTHING, BUT ABOVE ALL, DONT JUST STAGNATE LISTENING TO CRASS RECORDS-DO SOMETHING POSITIVE (LOOK AT ME, IM JUST A POXY LITTLE WANKER, AND IM DOING A FANZINE AND IF I CAN, ANYONE CAN) FINALLY, WRITE TO ME AT "18 CANONBURY PARK NORTH, LONDON, N1 2JT". PLEASE WRITE COS I LOVE GETTING LETTERS. WRITE ABOUT ANYTHING-YOUR BAND, YOUR ZINE, YOUR PET HAMSTER IF YOU WANT, I DONT CARE

ANARCHY IN THE UK MAAAN

ME AND ANNDEE WOULD LIKE TO GET A PHOTOCOPIER SO THERE WOULD BE SOMEWHERE TO GET YOUR ZINES PRINTED CHEAPLY. WOULDNT WE ALL. HOWEVER, A PHOTOCOPIER OR PRINTER COSTS, AND WE HAVENT GOT THAT SORT OF MONEY. LUCKILY, SEVERAL BANDS SAID THAT THEYD BE INTERESTED IN DOING GIGS WITH THE AIM OF GETTING SOME MONEY RAISED. IF YOU SEE ANY OF THE FOLLOWING BANDS PLAYING IN AND AROUND LONDON IN THE NEAR FUTURE, COME AND SEE EM COS ITS FOR A GOOD CAUSE AND IT SHOULD BE A GOOD GIG (THERE HASNT BEEN AN EXCELLENT ONE FOR 7 MONTHS) THE BANDS ARE "FLUX OF PINK INDIANS, THE MOB, ANIMAL CHAOS, FLACK, THE ERATICS, THE APOSTLES, THE SINYX, BLACK FLAG, THE SUBHUMANS" AND SOME OTHERS OH YEAH TERMINAL DISASTER, PART 1 "WE'RE GONNA GET IN TOUCH WITH "CONFLICT" SOON IF YOU KNOW OF ANY HALLS, THEN PLEASE TELL US.

THE MOB THE MOB THE MOB

THE MOB ARE
MARK- WORDS, MUSIC GUITAR
GRAHAM, DRUMS, BACKING VOX
CURTIS, BASS, BACKING VOX

RECENTLY, I HEARD THE EXCELLENT SINGLE BY THE MOB CALLED WITCHUNT. AFTER READING SOME MORE ABOUT THE BAND, I DECIDED TO SEND THEM SOME QUESTIONS, AND MARK SENT BACK THE ANSWERS WHICH ARE WRITTEN OUT FOR YOUR DELIGHT AND DELECTION BELOW

FIRST, THE OBLIGATORY BORING ONE, HOW AND WHEN DID YOU STARTZ, ALSO, POLITICS AND FUTURE PLANS-LONDON DATES?

We started at the beginning of 77 doing local gigs and generally having a good time getting beaten up. The local meatheads are something to reckon with when your're the only person with dyeex haix for 20 miles with dyed hair.
Our politics are basically anarchist. The only half-political group we have anything to do with is the CND. For a long time we did only free gigs asxwe felt it was much better to have nothing to do with money either. Unfortunaately, this is hard for a small band as you have to rely on so heavily on donations of the audience. We hope as we get better known, we'll be able to do it again.
We hope to be doing a single on Crass at the beginning of may called 'no doves fly hear' and at the end of may, a tour of N.Ireland. No London dates at the moment-any offers.

YOUR OPINIONS ON THOSE FAT, BLOATED, BLOOD-SUCKING BASTARDS THAT MAKE UP THE 'MUZIC-BUSINESS'.

I prefer not to think of them. Their day is coming and the sooner the better.

Apart from the pattern which the evidence builds up, description of the trials and sentences in different countries can only appeal to the sadist. Human terror and the abuse of the limbs, the racking, beating, and squeezing, the suspension from beams, the thumbscrewing and the hot-iron plates recur too obviously. They are live terrors, and we live too near them for the moralization in which the secure Victorian historians could indulge. For again we live in the age of faith and so of fear – although now it is political.

WITCH-HUNT

STONEHENGE?

We like Stonehenge,cos its the only place on earth you can be exactly who you want and are given total peace and freedom.Unfortunately it was spoilt last year by people who only came down for the weekend.You'have got to stay there the whole IO to I5 days to really get into the spirit of things.

PUNK?

For a long time I went off punk altogether- when it was all bondage (?)and violence.At the moment I think its growing again,although more xxt on a street level which is good.It's also a lot more radical these days.Punk was basically a vehicle for change,unfortunately it got watered down x lxt with The Pistols,Sham,Clash etc,etc selling out and signing to big labels.There's still a lot of bands like that,but I dont think any of the real'punks'take them seriously-thank god.
We used toget a lot of shit,cos we didnt play up to the 'posey punk mentality',but lately we are being taken seriously for what we are,rather than how we dress etc.

The MOB

Those who lived in the Transvaal were chiefly Boer farmers, but gold was discovered in the country and then many other people went there hoping to make a great deal of money. Many of these people were British, and although the Boers were not glad to see them, and wished they would keep away from the land which they considered their very own, these British help to make the Boer country rich.

You have heard how Britons for centuries had fought for this very freedom which was now denied them in South Africa, and you can imagine how hard it was for Britons to bear what seemed to them so great an injustice.

THE MOB

When a farmhouse was blown up, where should the women and children go? concentration camps.

To begin with, the average death rate among children was 629 per thousand per annum in the Orange Free State and 585 per thousand per annum in the Transvaal.

From June to August 1901, alone, during which time the number of people in the camps increased from 85,000 to 105,000, there were 4,067 deaths, of which 3,243 were children.

The Boers themselves estimated, later, that in the course of the war about 26,000 such women and children had died.

Flux Of Pink Indians 29/4/81

In January 1980, from the ashes of The Epileptics, Flux Of Pink Indians formed. The Epileptics, who released I record in August 1979, broke up in ~~December 1979~~ December 1979 due to band differences. FOPI played their Ist gig in feb-uary supporting Crass at the Triad in Bishops Stortford. In May, they played at Stonehenge, where after 2 songs, the non-punk crowd began to throw bottles, protesting against the apparent punk take over of Stonehenge of which 100s of punx attended. In August, FOPI recorded a 6-track, in January began recording their first tape on Crass records. Work was finished in May and the EP titled 'Neu Smell should be released soon. In May also, the Epileptics single, 1970s was re-pressed, this time on terrible records (without the permission of the first record releaser). It is on sale at RT, SW or from Colsk The Terrible at Flux gigs.

You think your so fuckin clever
You think you're something
You're just shit, shit, shit
You think you can gain respect by bossing us about

Well I'm pleased you've disassociated yourself from me

A POEM THAT I DONT KNOW THE NAME OF

MY NAME IS ADOLF EICHMAN
THE JEWS CAME EVERYDAY

TO WAT THEY THOUGHT WOULD BE
FUN IN THE SHOWERS
THE MOTHERS WERE QUITE INGENIOUS
THEY WOULD TAKE THE CHILDREN
AND HIDE THEM IN BUNDLES OF CLOTHING
WE FOUND THE CHILDREN, SCRUBBED THEM
PUT THEM IN CHAMBERS AND SEALED THEM IN
I WATCHED THROUGH THE PORT HOLES
AS THEY WOULD DOVEN AND CHANT
"HEY, MEIN LEIBE, HEY YYYY"
WE TOOK OFF THEIR CLEAN JEWISH LOVE RINGS
REMOVED THEIR TEETH AND HAIR –
FOR STRATEGIC DEFENSE
I MADE SOAP OUT OF THEM, I MADE SOAP OUT OF ALL OF THEM,
AND THEY HUNG ME IN FULL VIEW OF THE PRISON YARD.
PEOPLE SAY
"ADOLF EICHMAN SHOULD HAVE BEEN HUNG."
NEIN
NEIN, IF YOU RECOGNIZE THE WHOREDOM IN ALL OF YOU
THAT YOU WOULD HAVE DONE THE SAME
IF YOU DID KNOW YOURSELVES.
MY DEFENCE?
I WAS A SOLDIER
PEOPLE LAUGH
"HA, HA, THIS IS NO DEFENCE, THAT YOU ARE A SOLDIER."
THIS IS TRITE.
I WAS A SOLDIER, A GOOD SOLDIER.
SAW THE END OF A CONSCIENTIOUS DAYS EFFORT
I SAW ALL THE WORK I DID.
I, ADOLPH EICHMANN WATCHED THROUGH THE PORT HOLES
I SAW EVERY JEW BURNED, AND TURNED INTO SOAP
DO YOU THINK YOURSELVES BETTER
BECAUSE YOU BURNED YOUR ENEMIES
AT LONG DISTANCES
WITH MISSILES?
WITHOUT EVER SEEING WHAT YOU'D DONE TO THEM?
HIROSHIMA.... AUF WIEDERSEHEN ...

THE REASON WHY WE FIGHT THE GODLESS NAZI HORDES, IS TO END THE FREDDUICE AND GREED THAT ENABLES A COUNTRY TO HAVE 'JEWS ONLY' WRITTEN ON PARK BENCHES IN BERLIN.
WE ALSO FIGHT TO PRESERVE THE AMERICAN TRADITIONS AND VALUES THAT WE HOLD SACRED, SUCH AS MOMS APPLE PIE, CHEWING GUM BASEBALL GAMES, AND 'BLACKS ONLY' WRITTEN ON PARK BENCHES IN NEW YORK.

JOHN-BASS
AUNTIE-DRUMS

SOMETIME LAST NOVEMBER, I SAW THE SINYX AND WAS REALLY IMPRESSED WITH THEIR SET, SO ALONG WITH THEIR GROWING REPUTATION, I THOUGHT I'D INTERVIEW THEM. ON BANK HOLIDAY MONDAY I WENT DOWN TO SOUTHEND, AND AFTER HAVING COPS ASKING ME WHERE I GOT MY TAPE RECORDER, AND SHITTING MYSELF ABOUT BUMPING INTO SKINS GOING DOWN FOR BANK HOLIDAY RUCKS, I FINALLY ARRIVED. I GOT MET BY AUNTIE, AS TWO OF THE OTHERS WERE FEELING ILL AND ANOTHER WASOU T.OFF WE WENT INTO THE RAILBAR AND THERE WE STARTED.

WHAT ABOUT POLITICS?

Mainly we're anti-politics. We dont think people need politics to run their lives, not having idiots who dont know nothing telling them what to do in the first place.

BRITAIN IS A MAUSOLEUM

1) Living here under the system
Is like living in a mausoleum
The people are the living dead
If they're not, they get electrodes ontheir heads
We're steered through lifes boring course
Yet very few feel due remorse

Chorus. (SHOULD BE 2 MORE LINES HERE - SORRY FOLKS)
Living in a mausoleum(x3)
Not a place I'd choose to stay
Britain is a mausoleum(x3)
It dont have to be this way

2) Work all day, that is your function
Policeman hits you with his truncheon
Your brain shudders from his blows
Beats you tillyour reason goes
A zombie existence for us
If you've got no thoughts, you'llmake no fuss
Parallel to life you exist
Reduced to work or a shopping list

Chorus.
If you're different, you're a mental
This makes me so temprametal
If you're criminally insane
Electric shocks sear through you're braim
Soon you dont know who you've been
But now at least you're mind is cleam
The filth is gone, you're mind is new
Thinking just what they want you to

Chorus.

THE SINYX

ARE YOU WILLING TO FIGHT FOR WHAT YOU BELIEVE IN?

We're willing to fight to the point of destroying property or power, but not ~~XXXXXX~~ people, cos if you're going to start hurting people, you're no better than anybody else.

BUT IF IT CAME TO THE CRUNCH, WOULD YOU BE OUT ON THE STREETS?

No, I dont actually think it would be out on the streets, what you've got to do is gradually change peoples ~~xxxxx~~attitudes and do it peacefully, otherwise some of the people are going to start getting hurt, so in a violent revolution, we'd be defeating the object really.

YEAH, BUT PEOPLE DONT WANT TO THINK TOO MUCH, THEY JUST WANT A NICE COMFY LIFE.

Thats what you've got to change. You cant look to doing it now, you've just got to look to the future, try and change as many people as you can....young people who are still willing to accept new ideas. Thats what we want to do really-. We're going to use the band to promote a big publicity campaign. We're going to start up poster campaigns and leaflets and all sorts of stuff like that.

ALL THE YOUTH THINGS BEFORE, LIKE MOD AND HIPPY, THET'VE ALL BEEN DONE IN.

Yeah, they bhave, but then mod was never a revolutionary thing. Hippy was, but I think theywere too pacifist in their ideals, they were'nt willing to put their foot down.

PUNK WAS SUPPOSED TO BE THE GREAT REVOLUTION THO, AND LOOK WHATS HAPPENED NOW?

A lot of the punks now, you really notice it in Southend, are just trendies in different clothes. All they're worried about is going down to the pub having a drink, having a laugh, picking a girl up, and thats it. They're not rebels at all. There are quite a lot of pretty good punks round here

DEATH TO DECADANCE

I AM NOT AN ANIMAL/WHY TREAT ME LIKE AN ANIMAL?
WHY TRY TO MAKE MY LIFE SMALL?/I AM NOT AN ANIMAL
THE ONLY ANIMAL AROUND HERE'S YOU/UNCIVILIZED IN ALL YOU DO
LIKE A DOG YOU TRY TO TRAIN ME/THE IDEAL PET I WILL NOT BE
I AM NOT AN ANIMAL/DONT COME RUNNING WHEN YOU CALL
I WILL NOT RUN AT YOUR HEEL/I WONT PRAY AND I WONT KNEEL
WHY DO YOU WISH TO ABUSE ME/I AM HUMAN CANT YOU SEE?
I DO NOT LIVE JUST TO SERVE YOU/YOU DO NOT LIVE TO SERVE ME TOO
I AM NOT AN ANIMAL/INTO YOUR DEEP PIT I FALL
I WONT BE THE PERFECT PET/LOYALTY YOU WILL NOT GET
WHY DO YOU COMMAND MY LIFE?-FIND ME A MATE,I MEAN A WIFE
I WILL BITE THE HAND THAT FEEDS ME/I WILL BREAK THE TIES THAT BIND ME
I AM NOT AN ANIMAL...

666

There's still quite a few good hippy types round here too.
AT LEAST THERE'S MORE UNITY DOWN HERE.
Round here it's not all roses.Lots of people dont take us seriously as a band-I dont know why.
DONT PEOPLE ACCEPT PUNKS DOWN HERE THEN?
Yeah,they do.Maybe itx now cos theres so many.On a xsaturday,walking about Southend,theres punks all over the place.Theres more every week
THATS COS THERE ISNT ANY ALTERNATIVE EXCEPT SPANDAU BALLET ETC.
We've got a lot of them about,I mean,its the current trendy thing.
ITS EXPENSIVE THO,PROBABLY WHY THERE ARE MORE PUNKS.
Well,its just a trendy form of it really.They rip-off quite a lot of ideas from punks.Its just token rebellion really.Token rebellion for trendies.You see a lot of them round here a lot,frilly shirts,fancy hair-does........call an ambulance if theyve got a hair out of place,
SO XXXXXXXX XXXXX ARE YOU LIKE CRASS?
On the big issues we agree with Crass quite a lot really.They influenced us to start a couple of years ago.We're not influenced by them musically -we sounded a bit like them at first cos we couldnt play.We're learning -we're a bit more musical than Crass.WE got more tunes,but I suppose our beliefs are more in line with Crass.
IF YOU GOT FAMOUS THO,YOUD JUST BE DISMISSED BY BUSHELL AS CRASS COPIERS
Yeah,but he wouldnt matter anyway,hes an idiot,Garry Bushell,we want to keep well clear of people like him.

WHAT DYOU RECKON ABOUT THE CRASS/ANARCHY HYPE?
Well anarchy isnt,just the xxxxxx A with the circle round is trendy,th thats all.Its just a badge.Its not the politics,cos to a lot of people its just a fashion,they dont believ in it anyway.A lot of people round here think"If you're a punk,you got to be an anarchist."and they're not anarchists really,theyve just got A s on their back.
WHAT ABOUT THE MUZIC BIZ?
Its difficult really,cos all of us dont agree with it,but it can be useful to you.Like if you want to put a record out,then its going to get across to more people than if you dont,but we dont want to do it on a record label,we want to do it on our own label.Do as much of it as we can ourselves,do the sleeves ourselves...but we obviously cant press it ourselves,so we have to re -ly on the muzic biz to some extent

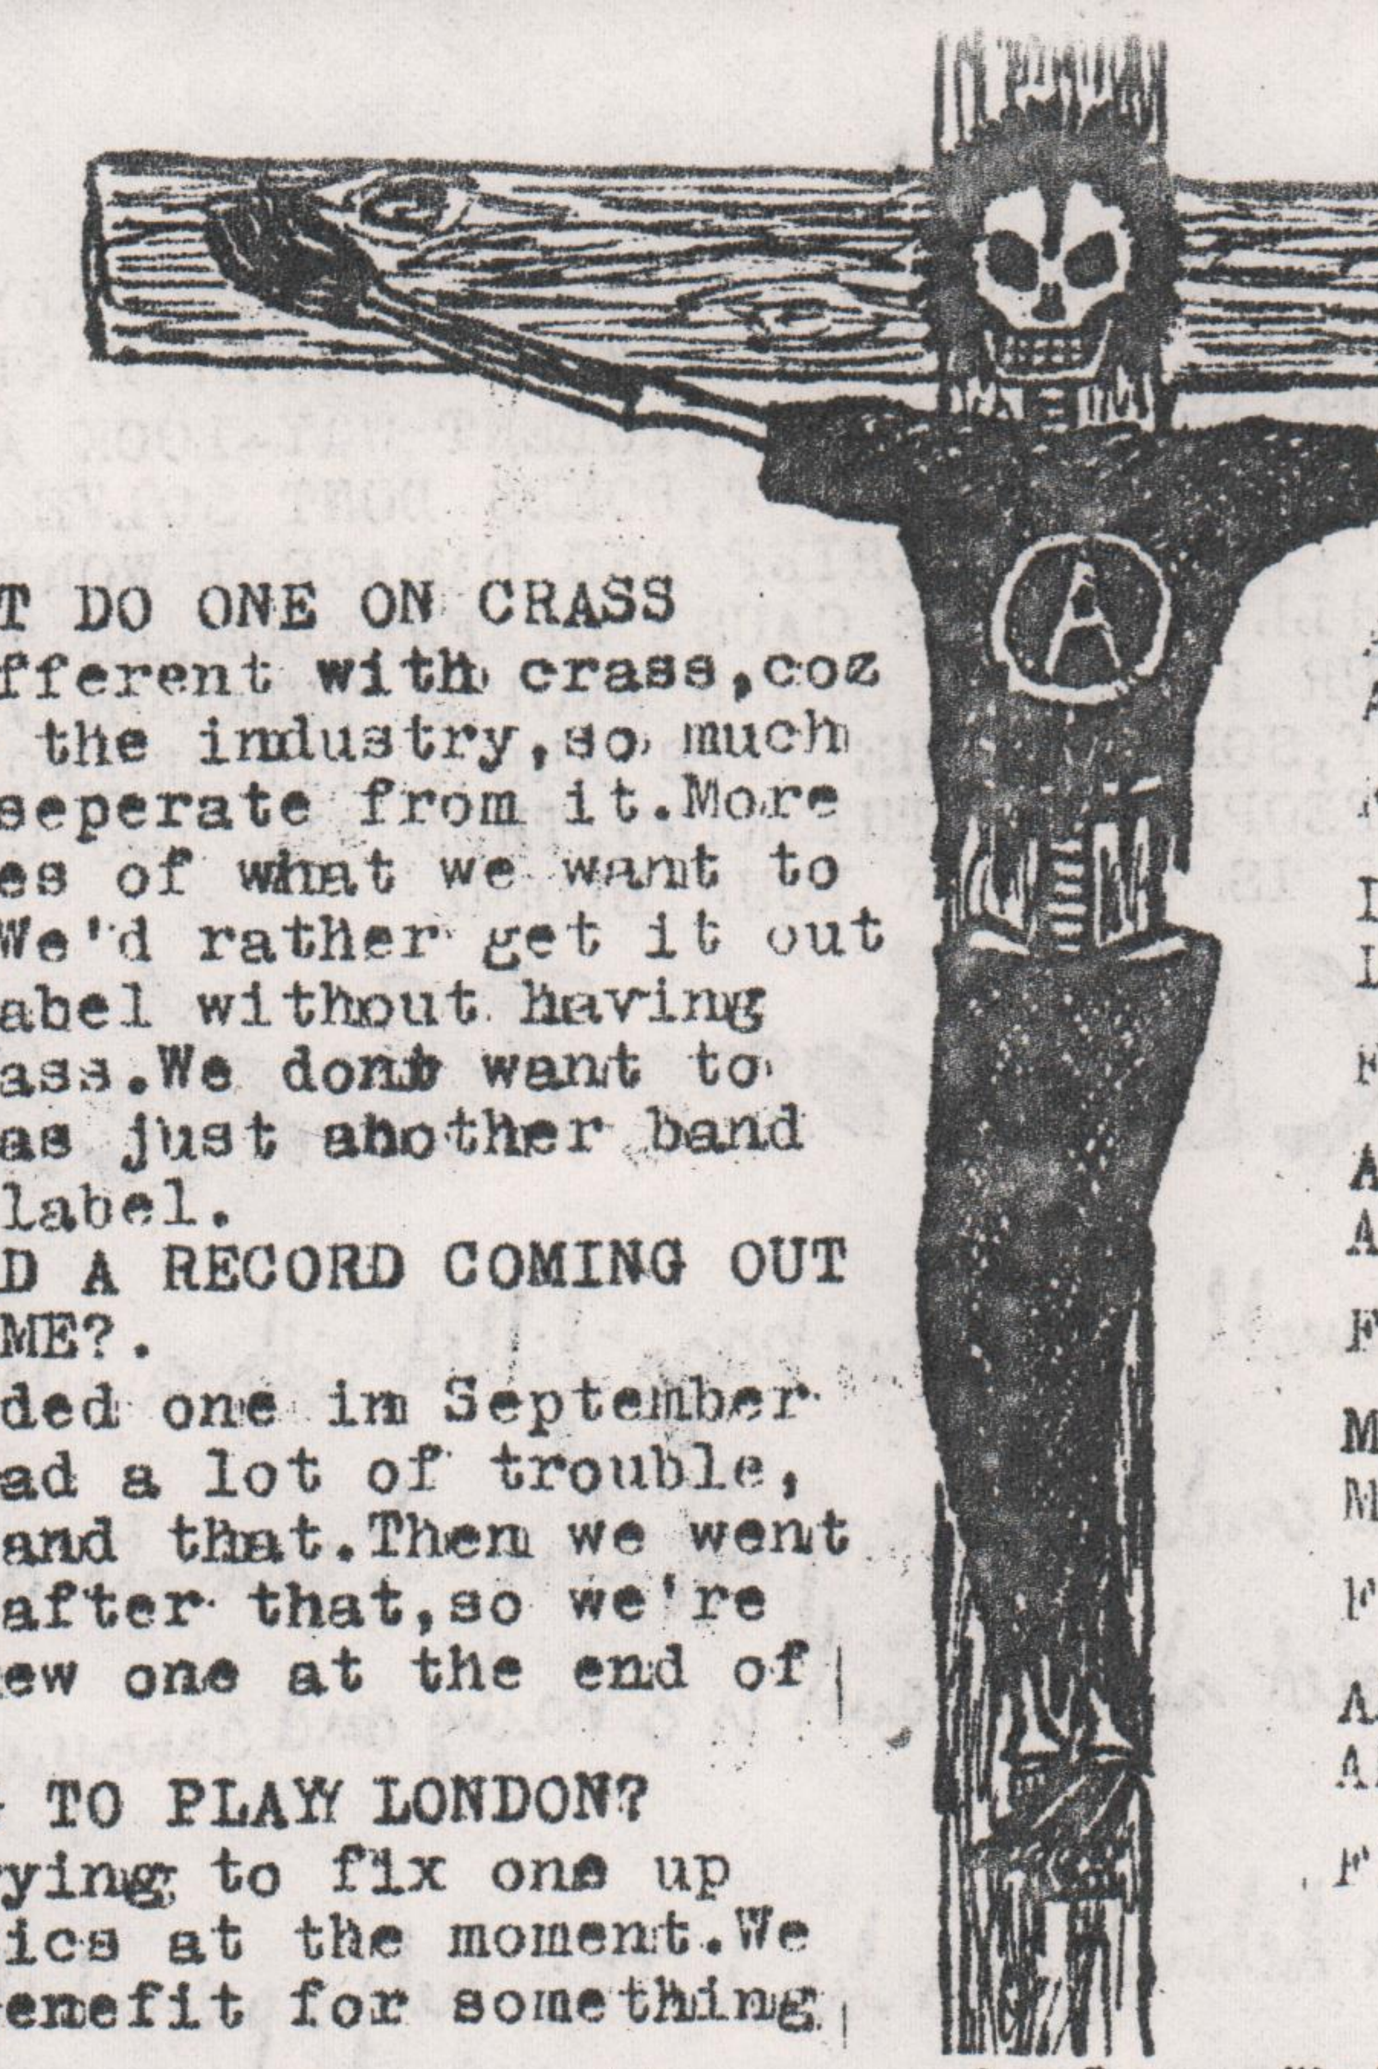

NAUSEA

I'M THE ENEMY OF HUMANITY
THE ENEMY OF ITS MEDIOCRATY
I AM THE ENEMY OF THE STATE
-KEEPING ALIVE ALL I HATE

I'M THE ENEMY OF HUMANITY
THE ENEMY OF SOCIETY
I'M THE ENEMY OF THE GREAT
-ALL THEIR SOCIAL GREATNESS I HATE

I'M THE ENEMY OF HUMANITY
THE ANTI CHRIST FEARED BY CHRISTIANITY
SOCIETY WONT LEARN TILL TO LATE
IF ONLY THEY KNEW HOW I HATE

I'M THE ENEMY OF HUMANITY
THE HERD ANIMALS THAT WILL NEVER SEE
THE SYSTEM THEY PERPETUATE
FROMMY NAUSEA IS BORN HATE

SO YOU WOULDNT DO ONE ON CRASS
Well thats different with crass,coz it wouldnt be the industry,so much as something seperate from it.More along the lines of what we want to do ourselves.We'd rather get it out on outr own label without having to rely on Crass.We dont want to get labelled as just another band on the Crass label.
HAVENT YOU HAD A RECORD COMING OUT FOR A LONG TIME?.
Yeah,we recorded one in September but then we had a lot of trouble, splitting up and that.Then we went off the tape after that,so we're recording a new one at the end of this month.
ARE YOU GOING TO PLAY LONDON?
Yeah,we're trying to fix one up with The Eratics at the moment.We might fix a benefit for something up at Chats Palace,thats quite a good place.We're hopefully getting a van sometime.We're going to go down to places like the West Country and all over the place,we're at the stage now where we can do that... ...All of us have got jobs,if we did'nt,we wouldnt have enough money to keep the band going,so its a matter of necessity really,and we dont want to use the band to make aliving,because we'd feel that we were ripping people off....We're going to try and get the band all under one roof soon,we're going to rent a house so we've got somewhere permanent where we can just get on with it...I dont know when that'll be,probably in summer sometime.

DRUGS?
I dont really agree with drugs that destroy peoples lives,any of the harder stuff..I dont mind a bit of speed now and then.I dont see any point it getting like when you cant think to getting anything done. I mean,I feel I've got too much to do rather than spending all the time not knowing what I'm doing.I like to be able to think.
RELIGION?
I really hate religion,its my pet hate.I can see nearly all the troubles in the world coming from religion.There's agood thing I read the other day by a bloke called Nietsche in a book called The Antichrist.It has this bit in it about how the bible defiles what Jesus said and all the religion was added later by the Apostles.

HE WAS A BIT OF AN ANARCHIST REALLY.
Yeah,if you take it that all the religion was just added later.The New Testament going on about the life of Jesus and what-Have-you and its going on about Revenge and the Revenge of Godand that doesnt go with what Jesus said at all.I just dont understand why people need religion.Its so fake the whole idea.There's all these people who all call themselves Christians,who've got absolutely nothing to do with what Jesus said whatsoever,and they worship him,its ridiculous He preached giving up all your possesions and following his teachings but they're all out to get as much as they can.

EVERY REBELLIOUS THOUGHT IS A KNIFE IN THE SYSTEM'S BACK — THINK THE SYSTEM TO DEATH!

I GOT THE PIECE BELOW SENT TO ME THROUGH THE POST, ANONYMOUSLY. I THINK THAT IT SHOWS PEOPLE ARE FINALLY GETTING PISSED OFF WITH TAKING THE SHIT, AND I THINK THAT ITS GOING TO BE DONE IN A VIOLENT WAY-LOOK AT BRIXTON. I DONT AGREE WITH WHAT IT SAYS-NEVER FORGET, BOMBS DONT SOLVE ANYTHING AT ALL, THEY CAN DO FUCK ALL EXCEPT CAUSE GRIEF AND DAMAGE. I WONT ACCEPT THE FACT THAT ANYONE IS BEING KILLED IN THE CAUSE OF FREEDOM, BE THEY COPPER OR CIVILIAN, BECAUSE FORCING YOUR IDEAS ON OTHER PEOPLE THROUGH VIOLENCE, IS JUST A FORM OF FACISM. ANYWAY, SOME OF THE TIPS ARE QUITE USEFUL, AND IF THIS IS A REFLECTION OF THE WAY PEOPLE ARE THINKING, THEN ALL YOU COPPERS, MPs SHOULD WATCH OUT, COS SOMEONE IS OUT FOR YOUR BLOOD.

RIOT ADVICE from The Actor 1981

1 Paper bags filled with glue or small polythene bags filled with emulsion or gloss paint, when thrown at a police cordon, is very effective: it prevents any visibility through visors on helmets or riot shields and is a nasty and annoying substance to remove.

2 If you have long hair, tie it behind your head. This helps prevent the police from pulling you by it in an attempted arrest.

3 Petrol bombs (only to be used against police [illegible] armed [illegible]): [illegible] narrow necked [illegible] filling with petrol or diesel fuel, topped [illegible] powder. A fuse made from a length cut from a rug or a towel, soaked in petrol, long enough to burn without [illegible] exploding [illegible] your hands. Wear leather gloves if possible. Glass is good for fingerprints!

BOMBS SOLVE FUCK ALL

4 For police vehicles: pour sugar into the petrol tank, and then disappear.

5 Power cables leading to establishment buildings: a metal rod tied to a long piece of rope, thrown up to snag the cable; let go before the rod hits the cable.

6 Break government phone lines by cutting trees so they fall across the lines. Cut lengths from the broken wire so that repair is difficult.

7 Other handy police car hints: loosen oil drainage screw, loosen screw on oil filter, loosen oil pressure lead. Metal spikes for tyres.

8 [illegible] is only effective if it is closely confined such as [illegible] [illegible] vicious fragmentation grenade.

BOMBS SOLVE NOTHING

THE DURUTTI DIVISION... SCUM lives!

THIS ARTICLE WAS SENT TO ME BEFORE THE RECENT CRAZE (ITS LIKE SKATEBOARDS) OF RIOTS STARTED—MAKES YOU WONDER DOESNT IT.

DIDNT NIETSCHE INFLUENCE HITLER?
What that was, was in the beginning of one of his books, he was describing how in the past, the Aryan race had been the ruling race in Europe, but he was against that. Hitle r took that, and Nietsche also had the idea of the Superman which Hitler also mistook. Nietsche said that the Superman was the progression of the human race into something better, sort of a step up from what it is now. It wasnt just something that could be bred and created, it was man overcoming himself.
I dont see how all these skins can idolize Hitler and his Nazis, I mean you've got this greasy, black-haired little cunt with a moustache and one bollock and they're all idolizing him. Its him going on about the aryan master race, anything less like the aryan master race Ive never seen in my whole life. His grand-mother was a jew which according to what he later imposed was enough to send him to the gas chamber.

ANYWAY, ITS JUST A TREND FOR ALL THE SKINS.
Yeah, they're not really Nazis, I mean, its just a badge for them, like lots of punks with anarchy. They dont really know what they're going on about. The blokes at the top are just using them as a strong arm.

AMERICA. ... not a lot of difference. The whole
America's neo-nazi as it is, ther's not a lot of difference. Who evers got the most money wins, co presidential campaign is just money. Who evers got the most money wins, co s they've got the most publicity. Its just like over here only 10 times worse. They say Poland is bad, but we're just a satellite state of America
AND THEY WANT TO PUT THEIR POXY CRUISE MISSILES OVER HERE.
Yeah, thats bad, but Ive got this idea. When they come over, we'd sort of get several 1000 people in a big group and go down and wreck the missiles, smash 'em up totally.... turn the lorries over and what-have-you. Their coming over in 1985 or 6, so we've got several years to organise. I've talked to some people about it and some people said that it was a really good idea, and others just laughed and didnt think it was possible. I dont think it would be that difficult to get a few 1000 people organised into smashing them to bits. I mean what could the army do against 1000 people. They couldnt shoot them cos they'd just get murdered.
I DONT THINK THAT CND HAVE GOT A POSITIVE ATTITUDE, LIKE THAT.
At least its bringing it to peoples attention. Like, on that massive march they had, they should be telling people that what we should do is wait for them to come over and ~~for them to~~ and then smash em to bits, and that would be really good, but they dont.
The Labour Party are using it as a bandwagon jumper. I bet if they got in they wouldnt scrap nuclear-power, and if they did, what about the rest of the army, what about the tanks and guns, and the police-force and the germs or the conventional arms or anything like that.

VIOLENCE AT GIGS.
We're not going to take any trouble at our gigs, cos if people come to see us, we're not going to stand for them getting their heads kicked in. John, our new bass player is a pretty big bloke, 17½ stone, rugby player, so you wouldnt argue with him too much. He's not a violent bloke, either, We wouldnt stand for that.

DIDNT YOU REFUSE TO PLAY SOUTHEND FOR A WHILE COS OF TROUBLE AT A GIG?
Yeah, we've only played played Southend once since then. They wasnt caring about anybody really, they were just jumping about and kicking anybody, and people who didnt want to get bundled were getting bundled about and getting knocked to the floor. We were pretty disillusioned really. We've been trying and trying and trying to get people to think here, we've more or less given up now.
...........I dont like Crass'production much on their records, we want to get more atmosphere on ours. We want to be one of the most evil-sounding bands in existance. Nearly all our new songs are pretty evil songs really. About 1/3 of our set is new stuff. Lots of anti-religion songs and good evil stuff. We've always been quite fascinated by anti-christ stuff and evil. We dont believe in it buts it good fun.
So, on this happy note, the interview ended, and so off i toddled. Thanks to Auntie for being interviewed and buying me drinks, and no thanks to the people who played the fruit machine in the background, making the tape unlistenable. If the Sinyx play near you go and see them cos their really good

New Crimes Compilation c/o 36 [illegible]
Tracks by POPI, APF Brigade, The Snipers(?), Subhumans, The Sinyx, 86-Mix, Stripey Zebras, Inole Death.
Right, first of all, I think that 5 of the bands 3 tracks are available on other tapes, so if you plan to buy them in the near future, then dont bother getting this. If you want to find out what the demos are like, then you should get this. POPI-their 3 tracks are excellent (if you want to get copies of the tape that this comes from send a letter to Colsk. with a blank tape.) The Sinyx 3 tracks are pretty good but are sadly shitty quality. It mentions on the label that a tape of The Sinyx and The Eratics is available, but Auntie says hes lent the original to some one. I havent heard the tracks by 86 Mix, Stripey Zebras and Inole Death, but was told by the owners of 2 tapes say that these arr shit. However, the owners of these tapes are 2 narrow minded unoriginal bigots called Elf Bonsai and Rudolph Bindel, who only like their music fast and furi furious, much like meself. Hmm......let me put it like this, if youre expecting Discharge, then dont be disappointed. I dunno, it might be the best thing since Anarchy in the UK (tho I would like to point out that I like other thing better than anarchy, its just that I cant think of anything at the moment, so dont write in saying "why cant you progress moan moan") but then again it might not.....However, the Subhumans contribution is nearly Surprise of the year, wonderful good etc. specially Parasite brilliant.

BLACKMAIL CORNER

Do you know that Pete Townshend sacked 28 people from the Who offices and then went on the march for jobs the next day.

Do you remember 'The Banned'? Do you know that their first single was written by a classical musician, who had a bet with one of his mates that he could write a punk single in ½ an hour.

NEW ZINES WOT HAVE COME OUT SINCE I DID THE ZINE REVIEW

Enigma 3: 52 [illegible]
I only had a quick gander of this quite a long time ago, but it looks really cosmic maaaan. They have sacrificed printing quality for cheapness, but who gives a toss its the thought that counts.

Protest 8: [illegible]
Ever noticed how most zines have 2 or 3 different reviews of this. The bugger just churns em out. Up to usual standard, lad. Not to be missed by any concientious anarchist/nihilist/I dunno. Bits The Mob, apf Brigade, Primal Chaos Part I and a good bit by someone who I think I know, but I aint sayin ing in case I'm wrong.

Aftermath 6: 15 [illegible]
This one gives areally good cross-section of bands, and is really brilliant (how many fucking ways are there of saying a zines good) Not to be missed by any conscientous life-form. Bits on too many bands to name.

New Crimes 4: [illegible]
Alright, this one is good too but I cant think of any interesting ways to, so by the doo-dah and see for yerself. Crass, POPI, apf brigade Subhumans

Paroxysm Fear 1: [illegible]
Done by Mark 'hacksaw' Gubb, the famed milk-bottle murderer of 1974. It isnt exactly Toxic Graffitty 5, but as I seem to have said 130cms above, its the thought that counts anyway, education facilities in Broadmoor arent that good, so its only to be expected. Remember, no bad reviews lads, unless you want to be found floating down the Thames in a pair of concrete DM's. Cant remember whos in cept POPI, The sinyx, and The snipers.

YOU BASTARDS...by [illegible] DES MARTIAN [illegible] Clapham South, Lond

My mother was last heard of living at 33 [illegible]azelbourne [illegible]oad, Clapham South, Lond
on, S 12. That was in 1976. I have never actually seen her since then. I am no
more sorry about that than I would be sorry if the prime minister died today.
My father is whoring around in Hong Kong somewhere and should he catch some in
curable disease I won't be the one who sends him the flowers. My brother is wi
th my father, last I heard. Maybe he'll catch the same incurable disease? My s
tepfather is the only person I would like to see again: I'd like to slit his t
hroat and slowly watch him die in agony. That would be a laugh, in fact, it wo
uld be the first time I'd laughed seriously since...since... When I laugh these
days, it's a hysterical, humourless laugh. There is nothing to laugh at. There
is nothing to laugh at when the lives of seventeen year old punks have been so
distorted and dehumanised that they can't even feel emotion for anyone but in
the broad sense of having a disgust at the inhumanity of everyone to eachother.

At school they called me 'jewboy' and 'jump-in-the-oven'. That's funny, isn't
it? Well, laugh then, like you laugh at cripples and spastics who are too defo
rmed to be able to give you the kick in the face you all deserve. How can I be
expected to feel any compassion towards a society of people who would, quite h
onestly, see me dead if they could do anything about it? How can I be expected
to care about a race of people who fall over themselves to get a place in a pr
ison of their own making by voting every five years? I do not feel anything fo
r anyone anymore. That is a plain and simple statement. It is rather pointless
me making it because I know full well that no one feels anything at all for me
nor do I expect them to. Sorry, I forgot: there are some people who feel somet
hing for me, like the police, who feel anger when they see me in the street, a
nd the rest of the people who feel disgust when they see me anywhere. Yes, the
re are <u>some</u> people who feel something for me. Should I be grateful?

On the face of it, there is every reason to believe that continuing this exist
ance that some call 'life' is pointless. There again, I could argue that while
I am of use to somebody, am I not being a little awkward to whoever it is I am
of use to, by doing away with myself? I don't see it in these terms, however.

I DON'T KILL MYSELF BECAUSE I REFUSE TO MAKE YOU BASTARDS HAPPY WITH MY DEATH.
I refuse to give you all that pleasure. Tough, isn't it? I won't do it for you
and I won't go away because I am not prepared to go to all the trouble of movi
ng elsewhere, where another set of bigotted parasites can use me and then disc
ard me after I've outlived my usefullness. Howee! This man's so heavy.

Isn't it strange how nobody likes what I do? Whether it's songs, [illegible]
s, books, paintings, speeches...now theres a classic case of paranoia. There's
only one problem: it isn't paranoia. So what?

[illegible] copies of Scum for
If I had money I could produce [illegible] about [illegible] each and I could buy us all proper amplifiers and drum kits and guita
rs and book us gigs and not worry about tickets. But to have money I would nee

By now you are probably wondering what all this is getting at, like, what is t
he point of this article? There are many points and many reasons why I write t
hings, and it is up to you, reader, to figure out how you feel about is writte
n and why it is written. I am a very good guitarist considering I've hardly ha
d more than three months practise. I write very good melodies and rythms with
interesting arrangements. What? Me, an egotist? No, actually, I'm not, it's ju
st that if I don't say something good about myself NO ONE ELSE WILL you see. I
t's as simple as that. Self praise is no praise, they say. In this case, self
praise is a way of reminding myself that I still exist. Okay?

Now, finally, do YOU exist? Fair enough, but what do you DO with that existanc
e? Do you contribute anything towards your own life or the lives of others? If
not, then you are just the kind of person this article is for: YOU BASTARDS...
